ADDRESS

Adeshina Street, Ado-Odo Ota
LGA, Agbara-Lusada, Ogun State
(Nigeria).

NATIONALITY

Nigerian (Nigeria)
Date of Birth: 28th November,
2002.
Language: English (Proficient)

Technical Skillset: MySQL,
Tableau, Power BI, Python, and
Microsoft Suites packages.

University Courses (Grades):
Elementary Modern Physics (A),
Quantum Physics (A),
Electromagnetic Theory (A), Solid
State Physics (A), Statistical
Mechanics (A), Wave and Optics
(A), Vector, Tensor and Complex
Analysis (A), Mathematical
Methods in Physics (A).

Reference:
Professor S.E Falodun
Lecturer

Email: sefalodun@futa.edu.ng

PROFESSIONAL SUMMARY

Purpose driven and avid undergraduate in Physics Electronics, with a passionate interest in pursuing a career in research in the field of particle physics and experimental high-energy physics leveraging technical skills to contribute to the drive in addressing Magnetic fields and their deflection in detectors.

EDUCATION AND TRAINING

Bachelor of Technology in Physics Electronics
Federal University of Technology, Akure [10/2021 - Present]
Address: P.M.B 704, Akure, Ondo (Nigeria). : <https://www.futa.edu.ng/stevephinwonder@gmail.com> [07031643197]
CGPA: 4.64 out of 5.0 (First Class) : Top 2% of over 150 students in 2025

The West African Examinations Council
Uncommon Favour Academy, Ijoko Ota [08/2016 - 07/2019]
Address: Agoro Gas-line, farm Ijok/Kajola Area, Ado-Odo/Ota, Ogun [Nigeria] :
stevephinwonder@gmail.com [07031643197]
Final Grade: Top 1% of Over 250 graduated students in 2019.
Relevant Courses (Grades): Further Mathematics (A1), Mathematics (A1), Civic Education (A1), Physics (B2), Geography (B2), Chemistry (B3), English Language (B3), Marketing (B3), Biology (C6)

WORK EXPERIENCE

IT specialist - Data Analyst
West Africa Steel Processing and Exporting Company Limited. [03/2022 - 02/2023]
Country: Nigeria
- Reviewed, diagnoseed, and assessed the functionality and efficiency of Materials.
- Cleaned, sorted, Modelled, analyzed, and Visualized collated data and Providing direct support to users across the organization.

Freelance Math Expert [01/2022 - 03/2022]
Photomath - 3rd Ave. San mateo CA 94401 United States.
Country: North America.
- Assisted College Students across the globe in solving complex problems in Mathematical sciences.

Achievement:
- Math Expert - I expanded knowledge in College students
- Qualified as a Freelance Math Expert on Photomath Marketplace.

Mathematical Science Tutor - GEHMS
God's Excellent Harvesters Model School. [01/2021 - 10/2021]
Country: Nigeria
- Taught and mentored students in Physics, Mathematics, and Marketing subjects, helping them understand complex concepts and develop problem-solving skills.
- had an Excellent communication, interpersonal, and problem-solving skills, with the ability to work with students from diverse backgrounds.

Telecommunication and Satellite Engineering - Student Training
HABIB TECH Enterprise. [05/2020 - 12/2020]
- Erected and maintained mobile telecommunications infrastructure.
- Used testing equipment to locate defective components of circuitry and makes any necessary repairs.
- Fixed connecting wires from underground and aerial lines to premises and connects cable terminals to inside wiring.

PROFESSIONAL DEVELOPMENT AND CERTIFICATIONS

Personal Goal Pursuit - Leapstart Mentorship Programme,

- had a Solid basis for achievement and personal development through a mix of workshops, one-on-one mentoring, engaging events, and skill development sessions.
- Debated contests and weekly assignments helped me develop their strategic thinking and problem-solving abilities.

Career Break - Skill up 2.0 (Python For Data Science).

- Built data-driven software applications
- Co-worked on problems that involving building content recommendations systems and analyzing high dimensional datasets.

Registration Specialist - International Union of Radio Science (URSI)

- Evaluated IT systems to ensure they meet the necessary demands.
- Nurtured Scientific Curiosity and utilized common problem-solving methodology in radio science.

MANAGEMENT AND LEADERSHIP EXPERIENCE

Executive President

National Association of Applied Physics Students, FUTA Chapter.

- Country: Nigeria
- Equipping Leadership Imperatives and Balancing Priorities in undergraduates
- Eager Minds Awakening - Team Phoenix Administration.
- Students Effective Public Speaker and Voice representative.
- Instituting Legacy amongst 1000+ students: part-time and full time.

Financial Secretary

National Association of Physical Science Students, FUTA Chapter.

- Country: Nigeria
- Identified potential issues or problems with collated data.
- Created reports and charts to help understand the data they are analyzing.
- Collaborated with other executives in conducting research to gather data on specific budget or expenditure.
- Achievement:
 - Fostered a culture of transparency and accountability.
 - Demonstrated excellence in financial management and modeling academic excellence throughout.

South Gate Coordinator

The Apostolic Church Students Fellowship Of Nigeria - FUTA Chapter.

- Country: Nigeria
- Ensured the supremacy of the leading of God's Spirit per time and seasons.
- Led the progress of the location from below 10 to 30+ members.
- Modelled Academic and impactful Excellence.

VOLUNTEERING AND COMMUNITY SERVICES

- Campus Ambassador - Dodan Foods, Suleja Niger. [Nigeria] [2024 - Present]
- Participated in the TLC Akure Community - Imparted 100 lives at Christmas. [2024]
- Co-Founder, TeachMeRx SDGs 4 - Quality Education - Secured 40+ partnerships with educational institutions and organizations. [2024]
- Member of the ICT The Apostolic Church Students Fellowship Of Nigeria - Content Writing. [2023 - 2025]
- Member - Space Club FUTA, Engaged in discussions, workshops, and events focused on space exploration, astronomy, and technology and Fostered a community of space enthusiasts. [2022 - 2025]

PROFESSIONAL MEMBERSHIP/ AFFILIATIONS

- Member: National Institute of Physics (NIP) [2025]
- Member: National Association Of Physics Students, NAPS Nigeria [2024]
- Member: National Association of Physical Science Students, FUTA Chapter. [2022]
- Student Member: National Association of Applied Physics Students, FUTA Chapter. [2022]

HONOURS AND AWARD

- Federal University of Technology Akure Undergraduate Multiple Dean Lists Award in Physics Electronics. [2021 - Present]
- 2 Times Recipient of The Apostolic Church Students Fellowship Of Nigeria FUTA, Scholarship Award. [2022]
- Moral Rearmament Grant, Initiative of Change Africa Scholarship Award. [2024]
- Recipient of MTN Foundation Scholarship Award for Undergraduate. [2024]
- Best Departmental President Award, NAPSS FUTA Chapter. [2025]
- Academic Excellence and Altruistic Leadership Award - PHYSICS. [2025]
